Education	<p>Doctorate in Statistics, University of São Paulo (in progress), 2019. Advisor: Pedro Morettin.</p> <p>MSc in Economics, São Paulo School of Economics (FGV-SP), 2017 – 2019. Dissertation: Homophily in preferences or meetings? Identification and estimation of a dynamic network formation game. Advisor: Cristine Pinto.</p> <p>BA in Economics, University of São Paulo, 2013 – 2016. Monograph: Consumption and Inflation Expectations in Brazil. Advisor: Fabiana Rocha.</p> <p>Technical degree in Computer Programming, Federal Institute of São Paulo, 2009 – 2012. Monograph: Text and file converter to the New Portuguese Orthography (with J. Birkett, J. Fonseca, I. Mendonça and L. Silva). Advisor: Mauricio Asenjo.</p>
Working Papers	<ol style="list-style-type: none">1. “Homophily in preferences or meetings? Identifying and estimating an iterative network formation model” (with Cristine Pinto and Vladimir Ponczek)<ul style="list-style-type: none">◦ Awarded best Econometrics paper at the 2019 Brazilian Econometric Society meeting.
Research Projects	<ol style="list-style-type: none">1. “Estimation and inference in parametric models with many L-moments.” (with Chang Chiann and Pedro Morettin).2. “Improving inference in local polynomial quantile regression” (with Cristine Pinto).3. “Estimating the effects of municipal lockdowns in Brazil: a Synthetic Differences in Differences approach” (with Matias Cardomingo, Rodrigo Toneto and Victor Vaccaro).
Professional Experience	<p>Bloomberg Initiative for Global Road Safety Data analyst from August, 2016 to August, 2017. Produced technical reports and impact evaluations of urban interventions.</p> <p>AC Pastore & Associates (macroeconomic consultancy firm) Intern from January, 2015 to April, 2016. Worked with dataset cleansing and manipulation and provided assistance in writing technical reports and presentations.</p> <p>Equus Consultoria Empresarial Ltda. (software development firm) Intern from July, 2011 to December, 2011. Worked with Java development of commercial systems.</p>
Research Assistance	<p>Research Assistant to Professor Bruno Ferman (EESP-FGV) Period: May, 2019 to May, 2020.</p> <p>Research Assistant to Professor Cristine Pinto (EESP-FGV) Period: September, 2017 to March, 2019.</p> <p>Research Assistant to Professor Ciro Biderman (EAESP-FGV)</p>

Period: August, 2016 to August, 2017.

Teaching Assistance

Master and Doctoral programme in Statistics, IME-USP.
2020: Teaching assistant for Introduction to Data Science (professor Pedro Morettin).
Master and Doctoral programme in Economics, EESP-FGV.
2018: Teaching assistant for Econometrics I (professor Bruno Ferman), Econometrics II (professor Cristine Pinto) and Macroeconomics III (professor Tiago Cavalcanti).
2019: Teaching assistant for Statistics and Bayesian Econometrics (professor Ricardo Masini).
2020: Teaching assistant for Microeconometrics I and II (professors Bruno Ferman and André Portela).
Undergraduate programme in Economics, EESP-FGV.
2018: Teaching assistant for Econometrics I (professor Cristine Pinto) and Econometrics II (professor Ricardo Masini).
2019: Teaching assistant for Econometrics III (professor Cristine Pinto).
Undergraduate programme in Statistics, IME-USP.
2020-2021: Teaching assistant for Introduction to Probability and Statistics I and II (professor Chang Chiann).

Awards and Honors

2020: CNPq graduate fellowship (Doctorate in Statistics).
2019: Best paper in Econometrics at the Brazilian Econometric Society Meeting.
2019: Capes graduate fellowship (Doctorate in Statistics).
2017: Capes graduate fellowship (MSc in Economics).
2017: Awarded best undergraduate monograph in Economics in the state of São Paulo by the Regional Council of Economics of São Paulo.
2016: Awarded best undergraduate monograph in Economics by the School of Economics, Business and Accounting of the University of São Paulo (FEA-USP).
